> Lived at Manassas. Reid, the murdered man, was formerly

a resident of Manassas, Va., where his father lived. The father and son had conducted a hotel at Reidsville, Prince William county, Va., only a few miles from Manassas, for a number of years. When Reid came to this city and enered the saloon business it was with the idea that he would later build a hotel at North Capitol and F streets. The night of January 24 he closed his place of business a few minutes before midnight and started west along F street o go to his room at New Jersey avenue and E street. While in front of No. 21 F street he was waylaid and murdered. There was snow on the ground that When Reid was found several feet below the sidewalk, there was nothing to indicate that he had been engaged in a struggle and had gone down the embankment.

Occupants of the house heard the noise the front door of the building. The poice were called and an investigation was started without delay. Blood was spurting from a number of ugly wounds in the throat and face of the victim, but his throat had been hacked to such an extent that he was unable

Detectives learned that three negroes ad been seen to pass the saloon shortly before the closing hour. Their interest in what was going on inside aroused the suspicions of persons who saw them.

Strange Negro Observed.

It came to light during the course of the investigation that a strange negro He was thought to have taken part in the tragedy

The detectives found Charles Phillips, who was employed by Reid, and questioned him closely as to his movements from the time he left the saloon until he reached his home in Massachusetts avenue, about one-half a square from the saloon. It was contended that he failed to account for several minutes. Later, his wife made a statement which implicated her husband. She is reported to have repeated statements er husband made concerning the killing of Reid. It is largely upon her testimony that the prosecution will depend when the case is called in the 'riminal Court Easter Monday.

HIT WITH A BRICK.

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

Nature warns you when the track of health is not clear. Kidney and bladder troubles compel you to pass water often through the day and get up many times during the night.

Unhealthy kidneys cause lumbago, rheumatism, catarrh of the bladder, pain or duil ache in the back, joints or muscles, at times have headache or indigestion, as time passes you may have a sallow complexion, puffy When the war of 1812 broke out Astor or dark circles under the eyes, sometimes feel as though asked President Madison for letters of you had heart trouble, may have plenty of ambition but

If such conditions are permitted to continue, serious results are sure to follow; Bright's disease, the sorst form of kidney trouble, may steal upo

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalency of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

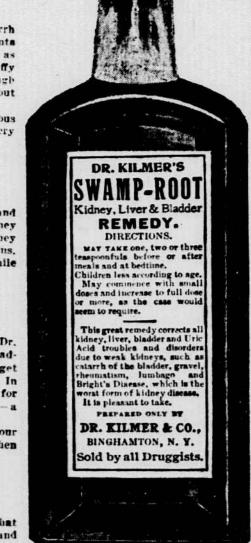

A Trial Will Convince Any One.

If you are sick or feeling badly, begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladeverything up to the Alaskan line, which der remedy, because as soon as your kidneys begin to get better, they will help the other organs to health.
